The accompanying procedures are to be used in conjunction with the Local Rules for the Southern District of Texas and not as a substitute for them. The Local Rules of this District can be obtained on the District website at www.txs.uscourts.gov. The Court requires strict compliance with these Local Rules.

1. CONTACT WITH COURT PERSONNEL

- A. The Court requires that parties will file documents through the District Court's Case Management/Electronic Case Filing (CM/ECF) System. *See* Southern District of Texas Local Rule 5.1 (LR5.1) and the District's Administrative Procedures for CM/ECF (as amended and available at www.txs.uscourts.gov).
- B. Case-related telephone and email inquiries **are strictly limited to procedural matters** and should be made only to the Case Manager. Inquiries should not be made to the Court's secretary or law clerks. The Court's caseload does not allow the Case Manager to respond to casual telephone inquiries about the status of motions or cases. All inquiries to the Case Manager should be by letter sent or delivered to Chambers, or by email. *See* below.
- C. Information about the status of documents, entry of orders, or docket entries should be obtained from the CM/ECF or Pacer Systems, or if absolutely necessary, from the United States District Clerk's Office at (956) 723-3542.
- D. Correspondence with the Court must be delivered or sent to the Court's Chambers:
 - 1) Case-related correspondence should be addressed to:

**Angie Treviño
Case Manager to District Judge Marina Garcia Marmolejo
1300 Victoria St., Ste. 2267
Laredo, TX 78040**

Or by email: **angie_trevino@txs.uscourts.gov**

- 2) **Do not** address substantive issues in letter or email form. The parties must file copies of all letters. Email correspondence with the Court will be docketed at the Court's discretion.
- 3) Copies of urgent documents (including letters) may be sent by First Class Mail, emailed, or hand-delivered to Chambers (*see* Emergencies, § 3 below), to the Court's Case Manager, with copies to all parties. Service copies must be transmitted to all counsel of record simultaneously with (or prior to) and in the same manner as the document is transmitted to the Court. The documents may **not** be faxed without express prior permission of the Court.

2. COURTESY COPIES OF DOCUMENTS

- A. Letters to the Court may be hand-delivered, sent by First Class Mail to Chambers, or transmitted by email, with copies to all parties served prior to or at the time of filing. *See* addresses above. Letters concerning discovery and scheduling matters must be filed in the docket.

- B. The parties **must** forward promptly to Chambers courtesy copies of (i) all documents that exceed ten (10) pages in length, including exhibits and attachments, and (ii) documents pertaining to matters to be heard by the Court within seven (7) days after the document is filed. Unless this rule is followed, the Court will not consider any documents filed within seven (7) days of any court appearance. **Do not fax or email** copies of documents to Chambers unless specifically authorized to do so by the Court.

3. EMERGENCIES

- A. Counsel should contact the Case Manager at (956) 790-1364 for matters requiring immediate attention.
- B. A copy of emergency motions must be sent directly to Chambers after its electronic filing. Counsel should bring the matter to the Court's attention promptly.

4. CONTINUANCES

- A. Motions for continuance **must be filed at least three (3) business days prior to date of the controlling deadline** and will be granted only at the Court's discretion. Motions for continuance filed on the date of the deadline, absent a showing of good cause, will not be granted.
- B. Agreements or joint motions among counsel for continuance are not binding on the Court. Parties must notify the Court of agreed continuances by submitting an agreed motion and proposed order.
- C. A trial will **not** be continued because of the unavailability of a witness.

5. APPEARANCES

- A. An attorney who appears at a hearing or conference **must**:
 - 1) be familiar with the case,
 - 2) have authority to bind the client, and
 - 3) be in charge for that appearance.
- B. Motions for admission *pro hac vice* shall include the attorney applicant's averment that he or she has familiarized him/herself with the Local Rules of the Southern District of Texas **and** these Procedures applicable to criminal cases before Judge Garcia Marmolejo. (*See* attached form, also available at the Court's website.)

6. MOTION PRACTICE

- A. **General Guidelines.** The Court follows the written motion practice described in the Local Rules. In addition, the following procedures apply:

- 1) Counsel must make serious and timely efforts to confer with opposing counsel on all motions to try to reach agreements on the relief to be requested by movant.
- 2) Motions must conform with CrLR12.2 and contain a certificate that opposing counsel was consulted but no agreement could be reached. An unopposed motion and its order must be indicated prominently in the caption.
- 3) If the motion presents issues of fact, it shall be supported by affidavit or declaration which sets forth with particularity the material facts at issue.
- 4) The Court will not grant a motion to blankly adopt another party's motion and such should not be filed.
- 5) Any pleadings filed with the Court, including exhibits thereto, containing personal data identifiers must comply with the S.D. Texas General Order #2004-11 (available at the District's website) on protecting personal privacy in public case files.

B. **Page Limits and Briefing Requirements.** The Court requires concise, pertinent and well organized memoranda of law. Without leave of Court, all memoranda of law are limited to 25 pages, 12-point type-font, double-spaced, with 1" margins. All memoranda of law must contain items 3, 4, 6, and 7 below. Any memorandum that has more than ten (10) pages of argument must contain the following eight (8) items.

- 2) A table of citations of cases, statutes, rules, textbooks and other authorities, alphabetically arranged.

- 6) Succinct headings dividing the argument into separate points.
- 7) A short conclusion stating the precise relief sought.

C. If an evidentiary hearing is necessary, the Court will notify the parties in advance. Exhibit and witness lists (the originals and **THREE (3)** copies of each) shall be provided to the Court at the hearing.

- D. Motions to Suppress must be pleaded with specificity and not filed solely for discovery. They must otherwise be in compliance with the local rules. Motions not in conformity therewith will be struck.
- E. All Motions to Dismiss, Motions to Sever, and Motions for Separate Trial must be specific and brought to the Court's attention at least thirty (30) days before jury selection.
- F. Dispositive motions in criminal cases will be considered by the United States District Judge or may be heard by the Magistrate Judge as requested by the Court.

7. PRETRIAL CONFERENCES AND DOCKET CALLS

- A. The Court generally holds one trial docket call each month. This docket call is the final pretrial conference (FPTC).
- B. At the FPTC, the Court may rule on all pending motions and conduct re-arraignments.

The parties must engage in timely plea negotiations. Defense counsel should confer beforehand with the Government and their clients and review plea agreements prior to the FPTC. The FPTC date is NOT the date to secure a plea agreement and review it with the defendant-client. The parties must be ready to enter a plea of guilty or proceed to trial on announcement.

- C. Re-arraignments: The Magistrate Judge may conduct re-arraignments in felony cases as requested by the Court.

- 2) **Proposed Conclusions of Law** (electronically in Corel WordPerfect X3 or higher, or Microsoft Word). Each proposed conclusion of law will contain citation of legal authority supporting the conclusions.

9. PROCEDURES FOR JURY TRIALS

- A. Jury selection is generally scheduled to occur during the third week of each month. Unless an attorney has commenced trial in another court, prior trial settings will not cause a case to be continued.
- B. **Voir Dire.** The Court will conduct the principal examination of the venire. Counsel will be generally allowed 15-30 minutes (depending on the complexity of the case) to conduct an examination of the venire, provided that the proposed *voir dire* questions are submitted in advance to the Court.  - c. Exhibits not removed will be disposed of by the clerk, and the expenses incurred will be taxed against the offering party.

D. Equipment.

- 1) Sound and Video Equipment: The Court has projection, document camera, sound and video equipment in the courtroom. Counsel are invited to use that equipment during trial. - C. **Telephones.** Telephone messages for counsel will **not** be taken by the Court's staff, and counsel shall refrain from requesting use of telephones in chambers.

Recording equipment and photographic mechanisms are strictly prohibited.
- F. **Witnesses.**

- 3) Counsel shall make every effort to elicit from the witnesses only information relevant to the issues in the case and to avoid cumulative testimony.
- 4) Counsel should bear in mind the Court's hours and arrange for witnesses accordingly. The Court will not recess to permit counsel to call a missing witness unless he or she has been subpoenaed and has failed to appear.
- 5) **Mode of Order of Interrogation and Presentation:** A party will be allowed to conduct a direct examination of its witnesses to be followed by cross-examination by opposing counsel. Interrogation will conclude with a re-direct examination which is limited by the scope of cross-examination.

Absent extraordinary circumstances, the Court will not allow any “re-cross” or “re-re-direct.”

- G. **Deliberations.** While the jury is deliberating, counsel are to remain near the courtroom to be available for jury notes or a verdict.

11. PROCEDURES FOR SENTENCING

- A. The purpose of these procedures for sentencing is to promote thorough research and robust intelligent discussion about the legal issues raised by the parties. The procedures below are meant to raise the quality of advocacy on behalf of those accused of a crime and the Government alike in order to assist the Court in reaching decisions based on a fair and impartial application of the law to the facts of each case.
- B. **PSI Report Completion Deadline.** The Court will set a deadline for completion of the Presentence Investigation (“PSI”) Report by the U.S. Probation Office. It is the responsibility of counsel to obtain the PSI Report. The U.S. Probation Office is not required to further advise counsel of the completion of the PSI Report.
- C. **Statements of Acceptance of Responsibility**, pursuant to U.S.S.G. § 3E1.1, must be timely submitted to the Court for consideration in applying the adjustment. Defendants may make a statement of acceptance of responsibility to a probation officer during the pre-sentence interview or submit a written statement of acceptance of responsibility to the probation officer **due no later than the date of the pre-sentence interview.** They may also adopt the factual basis entered at the time of plea and ask the Court to consider this as the formal acceptance of responsibility statement in lieu of having to submit another statement to the Court.

D. **Objections to the PSI Report.** The attorney for the Defendant and the attorney for the Government shall submit either their objections or a written statement of non-opposition to the U.S. Probation Office and serve the same on opposing counsel within fourteen (14) days of receiving the PSI Report. *See FED. R. CRIM. P. 32(f); S.D. Tex. CrLR 32.6; U.S. SENTENCING GUIDELINES MANUAL § 6A1.2 (2013).* **Legal objections to the PSI Report require citations to supporting and contrary authority.** When filing objections counsel must note if the issue has been decided by binding or non-binding precedent and/or if the objection is being filed merely to preserve the issue for further appellate review.

E. If additional time is required, counsel may request up to **five (5) working days** from the U.S. Probation Office without filing a formal motion with the Court. If more than five (5) working days are needed, a motion to extend time to file objections should be **immediately** filed. A sample proposed order is attached and is available on the Court's website.

The Court admonishes counsel that the failure to timely file objections will result in a show cause hearing where counsel will be asked to explain why the Court's deadline could not be met and why a motion to extend time to file objections was not filed. While late filed objections will not be held against the Defendant(s), the Court may impose monetary sanctions against counsel for not complying with the rules.

F. No later than fourteen (14) calendar days after receiving a party's objections to the PSI Report, opposing counsel **shall** file a written response to the objections.

Absent a clear demonstration of good cause, a party's failure to timely respond and dispute the objections filed by opposing counsel concedes the issue so long as the objection is non-frivolous. An objection is frivolous, for example, if it is foreclosed by binding precedent unless it is merely filed to preserve the issue for further review. A party is not required to respond to objections foreclosed by binding precedent and filed to preserve the issue.

G. **Sentencing Memorandum.** Counsel shall also file within fourteen (14) days of receiving the PSI Report any sentencing memorandum counsel may wish to submit with any pertinent attachments, such as letters and photographs, for consideration of grounds for departures under the Sentencing Guidelines and/or 18 U.S.C. §3553(a) factors/variances by the Court.

H. **“Safety Valve” Debriefs,** in applicable drug offenses pursuant to 18 U.S.C. § 3553(f) and U.S.S.G. § 5C1.2, must be completed no later than a week prior to the PSI Report disclosure date. The attorney for the Government shall timely notify the U.S. Probation Office of any recommendations prior to the disclosure deadline.

- I. No later than 14 calendar days after receiving the responses from the parties, the U.S. Probation Office shall complete and submit to the Sentencing Judge the final report, together with an addendum describing any objections that have not been resolved and the officer's comments thereon.
